Eternal Truths . . .

Going to church doesn't make you a Christian any more than standing in a garage makes you a car.

Opportunities always look bigger going than coming.

Experience is a wonderful thing. It enables you to recognize a mistake when you make it again.

By the time you make ends meet, they move the ends.

Learn from the mistakes of others. You can't live long enough to make them all yourself.

There is always one more imbecile than you counted on.
